Description	Image						
<p>Projected Coordinate System: Transverse_Mercator Projection: Transverse_Mercator false_easting: 500000.00000000 false_northing: -2000000.00000000 central_meridian: 90.00000000 scale_factor: 0.99960000 latitude_of_origin: 0.00000000 Linear Unit: Meter</p> <p>Geographic Coordinate System: GCS_unnamed ellipse Datum: D_unknown Prime Meridian: Greenwich Angular Unit: Degree</p>	 <p>The map displays the population density of Bangladesh at the upazilla level. The density is highest in the central and eastern parts of the country, particularly in the Chittagong and Dhaka regions, indicated by darker brown colors. Lower densities are shown in the western and northern parts, indicated by lighter yellow and orange colors. The map includes a legend with the following categories:</p> <table border="1"> <thead> <tr> <th>Population Density (Person per Sq. km)</th> </tr> </thead> <tbody> <tr> <td>22 - 650</td> </tr> <tr> <td>651 - 1060</td> </tr> <tr> <td>1061 - 1330</td> </tr> <tr> <td>1331 - 1950</td> </tr> <tr> <td>1951 - 130050</td> </tr> </tbody> </table> <p>Source: BBS (2011) Bangladesh Population & Housing Census</p>	Population Density (Person per Sq. km)	22 - 650	651 - 1060	1061 - 1330	1331 - 1950	1951 - 130050
Population Density (Person per Sq. km)							
22 - 650							
651 - 1060							
1061 - 1330							
1331 - 1950							
1951 - 130050
