

# BFIS e-Library Module

<http://bfis.bforest.gov.bd/bfis/>

## About BFIS e-Library Module:

The BFIS e-Library is the virtual library of the Bangladesh Forest Department (BFD) where electronic documents have been archived, referenced and made available. The BFIS e-Library includes reports, scientific documents, posters, Rscripts and publications. From the latest published documents to old archived reports are available. This module aims at providing a central platform where all the documentation related to forestry in Bangladesh is accessible.

## This Module contains:

**Publications:** Proceedings, manuals, reports, books, scientific articles and working papers, produced in collaboration with or by the BFD .

**Training Materials:** Training guidelines prepared for strengthening capacities in forest assessment, monitoring, management, and conservation.

**Maps:** A list of maps prepared to illustrate available forest resources, management and conservation activities in Bangladesh.

**University Thesis:** Thesis published in Bangladesh on forest management and conservation, forest assessment and related topics.

**Rscripts:** Rscripts prepared for analyzing forest inventory and socio-economic survey data and preparing results.

**Artwork:** Leaflets, posters, and brochures prepared to increase awareness on activities implemented by BFD and other related topics.

## Functionalities:

**Search document:** In the right-side panel, there are search boxes to find documents by keyword, author and document type from dropdown lists and year-wise filter.

KEYWORD SEARCH: Tree  
SEARCH BY AUTHOR NAME: Zaheer  
FILTER BY YEAR: 2014  
DOCUMENT TYPE: Publications (514)

Comprehensive monitoring of Bangladesh tree cover inside and outside of forests, 2000-2014  
Peter, V. P., Baktiar Nur, S., Zaheer, I., Md Tariq, A., Bablu, Z., Asma, I., Amy, P., Yamile, T., Alexandra, T., Svetlana, T. & Matthew, H. 2017. Comprehensive Monitoring of...
